« Salut au monde ! »

« I see the cities of the earth and make myself at random a part of them, I am a real Parisian, I am a habitan of Vienna, St. Petersburg, Berlin, Constantinople, I am of Adelaide, Sidney, Melbourne, I am of London, Manchester, Bristol, Edinburgh, Limerick, I am of Madrid, Cadiz, Barcelona, Oporto, Lyons, Brussels, Bern, Frankfort, Stuttgart, Turin, Florence;

I belong in Moscow, Cracow, Warsaw, or northward in Christiania or Stockholm, or in Siberian Irkutsk, or in some street in Iceland, I descend upon all those cities, and rise from them again.

I see African and Asiatic towns, I see Algiers, Tripoli, Derne, Mogadore, Timbuctoo, Monrovia, I see the swarms of Pekin, Canton, Benares, Delhi, Calcutta, Tokio, I see Teheran, I see Muscat and Medina and the intervening sands; I see Egypt and the Egyptians, I see the pyramids and obelisks, I see ranks, colors, barbarisms, civilizations, I go among them, I mix indiscriminately, and I salut all the inhabitants of the earth.

Each of us allow'd the eternal purports of the earth, each of us here as divinely as any is here. »
